## **1. Software License.**

Subject to the terms of this Agreement, Telerik hereby grants to You one (1) copy of a limited, non-exclusive, non-transferable license (the “License”) to use and redistribute (subject to Section 2) for one (1) year the Telerik computer software identified as Kendo UI Promotional Edition (the “Programs”) to create applications solely for use with Microsoft Office 365 and any documentation that accompanies the Programs (the “Documentation” and, together with the Programs, the “Software”) as set forth below.

For purposes of this Agreement:

“Your Integrated Products” are limited to those software applications which: (i) are developed by You; (ii) add substantial functionality beyond the functionality provided by the incorporated components of the Software; (iii) are not commercial alternatives for, or competitive in the marketplace with, the Software or any components of the Software; and (iv) are designed, and licensed to your end-users solely for use with Microsoft Office 365.

The Software is in “use” on a computer when it is loaded into temporary memory (i.e. RAM) or installed into permanent memory (e.g. hard disk or other storage device). You may install the Software on multiple machines, so long as the Software is not being used simultaneously for development purposes at any given time.

**1.1 Updates and Support.** . No dedicated technical support is provided with the Software, however, as part of your license you are allowed to access the public support resources offered by Telerik in its sole discretion (e.g. documentation, code library, forums). You may be eligible to receive updates for the Software that You license hereunder for a period of one (1) year from the date on which You download the Software. Updates replace and/or supplement (and may disable) the version of the Software that formed the basis for Your eligibility for the update. You may use the resulting updated Software only in accordance with the terms of this License.

**1.1.2.** In no event will Telerik provide support of any kind to end-users of Your Integrated Products.

**1.2 Source Code.** The Software’s source code is provided to You so that You can create modifications under the terms of this Agreement.

**1.2.1** While Telerik does not claim any ownership rights in Your Integrated Products, any modifications You develop to the Software source code will be the exclusive property of Telerik, and You agree to and hereby do assign all right, title and interest in and to such modifications and all rights associated therewith to Telerik.

**1.2.2** You will be entitled to use modifications of the Software’s source code developed by You under the terms of this Agreement and Telerik hereby grants You a license to use such modifications pursuant to Section 1.

**1.2.3** You acknowledge that the Software’s source code is confidential and contains valuable and proprietary trade secrets of Telerik. Under no circumstances may any portion of the Software’s source code or any modified version of the source code be distributed, disclosed or otherwise made available to any third party.

**1.2.4** Telerik DOES NOT provide technical support for any source code that has been modified by any party other than Telerik.

**1.2.5** The Software’s source code is provided “as is”, without warranty of any kind. Refunds are not available for any licenses that include a right to receive source code.

**1.3 Testing and Building License.** You may also use the Software in the testing and building of Your Integrated Products.

## **2. License Options for Redistribution**

**2.1 Redistribution.** You may distribute the Programs in minified form as embedded in Your Integrated Products to Your end-users only pursuant to an end-user license that meets the requirements of this Section. You are not permitted to distribute the Software pursuant to this Section: as a standalone product or, as a part of any product other than Your Integrated Product. Your end-user license agreement must: prohibit distribution of the Software by Your end users; limit the liability of Your licensors or suppliers to the maximum extent permitted by applicable law; and prohibit any attempt to disassemble, decompile or “unlock”, decode or otherwise reverse translate or engineer, or attempt in any manner to reconstruct or discover any source code or underlying algorithms of the Software. Provided Your end users are in compliance with their license agreements with You, any sublicenses to use the Software granted by You to Your end users will survive any termination of this Agreement or the License set forth herein between You and Telerik. You are not allowed to, and are expressly prohibited from granting Your end users any right to further sublicense the Software.

**2.2 Redistribution of Kendo UI Core under Open Source License.** Kendo UI Core, a suite of components licensed under the Apache 2.0 license, is shipped with Kendo UI Promotional Edition and publicly available on Github at <https://github.com/telerik/kendo-ui-core>. You may use and distribute the Kendo UI Core software solely pursuant to the terms of the Apache 2.0 software. In no event may You distribute any source code other than Kendo UI Core.

### **3. No Trademark License**

### **4. Delivery**

Telerik shall make a master copy of the Software available for download by Licensee in electronic files only.

### **5. Updates**

The parties agree and acknowledge that updates provided to You as part of this Agreement may include new software products governed by additional terms and conditions. These additional terms and conditions must be accepted by You at the time You download such new products. If You do not agree to these additional terms and conditions, You should not download the new products. In case of a conflict between the terms and conditions of this Agreement and the terms and conditions applicable to any new product made available to You as part of any updates, the terms and conditions of this Agreement shall govern.

### **6. Term and Termination**

This Agreement and the License granted hereunder shall last for a period of one (1) year. Unless otherwise prohibited by law, and without prejudice to Telerik's other rights or remedies, Telerik shall have the right to terminate this Agreement and the License granted hereunder immediately if You breach any of the material terms of this Agreement, and You fail to cure such material breach within thirty (30) days of receipt of notice from Telerik. Upon termination of this Agreement, all Licenses granted to You hereunder shall terminate automatically and You shall immediately cease use and distribution of the Software; provided, however, that any sublicenses granted to Your end-users in accordance with Section 2 shall survive such termination. You must also destroy (i) all copies of the Software not integrated into a live, functioning instance(s) of Your Integrated Product(s) already installed, implemented and deployed for Your end-user(s), and (ii) any product and company logos provided by Telerik in connection with this Agreement.

Telerik reserves the right to discontinue the Software or any component of the Software, whether offered as a standalone product or solely as a component, at any time.

## **8. Intellectual Property**

All title and ownership rights in and to the Software (including but not limited to any images, photographs, animations, video, audio, music, or text embedded in the Software), the intellectual property embodied in the Software, and any trademarks or service marks of Telerik that are used in connection with the Software are and shall at all times remain exclusively owned by Telerik and its licensors. All title and intellectual property rights in and to the content that may be accessed through use of the Software is the property of the respective content owner and may be protected by applicable copyright or other intellectual property laws and treaties. This Agreement grants You no rights to use such content. Any open source software that may be delivered by Telerik embedded in or in association with Telerik products is provided pursuant to the open source license applicable to the software and subject to the disclaimers and limitations on liability set forth in such license.

## **9. Limited Warranty**

THE SOFTWARE IS LICENSED 'AS IS'. YOU BEAR THE RISK OF USING IT. TELERIK GIVES NO EXPRESS WARRANTIES, GUARANTEES OR CONDITIONS. YOU MAY HAVE ADDITIONAL RIGHTS UNDER YOUR LOCAL LAWS WHICH THIS AGREEMENT CANNOT CHANGE. TO THE EXTENT PERMITTED UNDER YOUR LOCAL LAWS, TELERIK EXCLUDES THE IMPLIED WARRANTIES OF TITLE, MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT.

## **10. Limitation of Liability**

To the maximum extent permitted by applicable law, in no event will Telerik be

liable for any indirect, special, incidental, or consequential damages arising out of the use of or inability to use the Software, including, without limitation, damages for loss of goodwill, work stoppage, computer failure or malfunction, or any and all other commercial damages or losses, even if advised of the possibility thereof, and regardless of the legal or equitable theory (contract, tort or otherwise) upon which the claim is based. In any case, Telerik's entire liability under any provision of this Agreement shall not exceed \$5, notwithstanding any failure of essential purpose of any limited remedy. Some jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, so this exclusion and limitation may not be applicable. Telerik is not responsible for any liability arising out of content provided by Licensee or a third party that is accessed through the Software and/or any material linked through such content. Any data included in the Software upon shipment from Telerik is for testing use only and Telerik hereby disclaims any and all liability arising therefrom.

You agree to indemnify, hold harmless, and defend Telerik and its resellers from and against any and all claims, lawsuits and proceedings (collectively "Claims"), and all expenses, costs (including attorney's fees), judgments, damages and other liabilities resulting from such Claims, that arise or result from (i) Your use of the Software in violation of this Agreement, (ii) the use or distribution of Your Integrated Product or (iii) Your modification of the Software's source code.

## **12. Confidentiality**

However, neither party shall have an obligation to maintain the confidentiality of information that (i) it received rightfully from a third party without an obligation to maintain such information in confidence; (ii) the disclosing party has disclosed to a third party without any obligation to maintain such information in confidence; (iii) was known to the receiving party prior to its disclosure by the disclosing party; or (iv) is independently developed by the receiving party without use of the confidential information of the disclosing party. Further, either party may disclose confidential information of the other party as required by governmental or judicial order, provided such party gives the other party prompt written notice prior to such disclosure and complies with any protective order (or equivalent) imposed on such disclosure. Without limiting the foregoing, Licensee shall treat any source code for the Programs as confidential information and shall not disclose, disseminate or distribute such materials to any third party without Telerik's prior written permission. Each party's obligations under this Section 12 shall apply at all times during the term of this Agreement and for

Neither the Uniform Computer Information Transactions Act nor the United Nations Convention for the International Sale of Goods shall apply to this Agreement. You agree that You are not relying on any representation or obligation other than those set forth in this Agreement. Use of any purchase order or other Licensee document in connection herewith shall be for administrative convenience only and all terms and conditions stated therein shall be void and of no effect unless otherwise agreed to in writing by both parties. In cases where this license is being obtained through an approved third party, these terms shall supersede any third party license or purchase agreement.

### **15. No Assignment**

You may not assign, sublicense, sub-contract, or otherwise transfer this Agreement, or any rights or obligations under it, without Telerik's prior written consent.

### **16. Survival**

Any provisions of the Agreement containing license restrictions, including, but not limited to those related to the Program source code, warranties and warranty disclaimers, confidentiality obligations, limitations of liability and/or indemnity terms, and any provision of the Agreement which, by its nature, is intended to survive shall remain in effect following any termination or expiration of the Agreement.

If a particular provision of this Agreement is terminated or held by a court of competent jurisdiction to be invalid, illegal, or unenforceable, this Agreement shall

remain in full force and effect as to the remaining provisions.

## **18. Force Majeure**

Neither party shall be deemed in default of this Agreement if failure or delay in performance is caused by an act of God, fire, flood, severe weather conditions, material shortage or unavailability of transportation, government ordinance, laws, regulations or restrictions, war or civil disorder, or any other cause beyond the reasonable control of such party.

## **19. Export Classifications**

You expressly agree not to export or re-export Telerik Software or Your Integrated Product to any country, person, entity or end user subject to U.S. export restrictions. You specifically agree not to export, re-export, or transfer the Software to any country to which the U.S. has embargoed or restricted the export of goods or services, or to any national of any such country, wherever located, who intends to transmit or transport the products back to such country, or to any person or entity who has been prohibited from participating in U.S. export transactions by any federal agency of the U.S. government.
